€5,29

NEW

Compact air plant has a round bulb-shaped base and long, sinuous, slender leaves

PT-TILLANDSIA BUTZII
PT205470

8715897361661

S.R.P.

€5,29

NEW

This air plant has a thickened base with twisted growing leaves. The leaves are grey-green, velvety due to fine hairs that absorb moisture.

PT-TILLANDSIA CAPUT MEDUSAE
PT205510

8715897361685

S.R.P.

€4,49

NEW

This air plant forms a compact rosette of broad, soft leaves that are grey-green in colour

PT-TILLANDSIA CAPITATA PEACH
PT205490

8715897361678

S.R.P.

€4,49

NEW

This air plant forms a dense rosette of narrow, stiff leaves that grow straight up. The leaves are green to grey-green, and can turn reddish to purple in strong sunlight.

PT-TILLANDSIA MELANOCRATER TRICOLOR
PT205570

8715897361715

S.R.P.

€4,49

NEW

This air plant has slender, grass-like leaves growing from a small base. The leaves are grey-green to silver-grey, covered with hairs that absorb moisture.

PT-TILLANDSIA JUNCEA
PT205530

8715897361692

S.R.P.

€4,49

NEW

This air plant forms a compact rosette of soft, grey-green to silver-grey leaves that are slightly curved. The leaves are velvety due to a thick layer of trichomes (tiny hairs), which the plant uses to absorb moisture from the air.

PT-TILLANDSIA MAGNUSIANA
PT205550

8715897361708

S.R.P.

€4,49

**6 cm
pot**

NEW

This hanging or creeping plant has distinctive purple leaves with stripes.
